**Funding Period: Fiscal Year 2023**

**Opportunity Funding**

*Directed Funds for students identified as English Learners and students from low-income households*

**Delaware Department of Education  
Opportunity Funding Form  
2022-2023 School Year**

Application deadline: July 29,2022

**Purpose:** Senate Bill 56 of the 151st General Assembly codified the Opportunity Fund, an additional source of education funding for Delaware public schools intended to support the increased needs of low income and English learner students, and established the parameters for how the funding is to be distributed and the usages reported. Epilogue language in the annual appropriations Act provides further parameters regarding usage and allocation.

**For FY23, this is a combined school-based application for both the Flexible funding and Mental Health and/or Reading funding (if applicable) allocations.**

**Appropriation Allocation Method:**

**Flexible Funding** - \$30 Million to be allocated. LEAs will receive school-based allocations at \$616.35 per English learner (EL) and \$616.35 per low-income (LI) student. LEAs shall have flexibility in the use of these funds to enhance services to EL and LI students, including using these funds to cover 100% of personnel costs for associated staff, contractual services, supplies and materials, or other expenditures deemed necessary to provide additional supports to these populations. Staff may include, but not be limited to, personnel dedicated to improving reading comprehension and math proficiency, or who provide additional wrap-around services or mental health supports. Funding allocations shall be made available to LEAs upon the passage of the FY23 budget so that in early July LEAs may begin to hire staff, procure instructional materials, execute contracts for services, and plan for the upcoming school year.

**Mental Health and/or Reading** - \$8 million to be apportioned to schools which meet the following criteria based on prior year unit count: (1) a grade configuration containing kindergarten through fourth grade and (2) greater than or equal to 30% Low income and/or greater than or equal to 10% English learner enrollment. These funds for mental health support shall be in the form of school counselors, school social workers or licensed clinical social workers, school psychologist and/or for additional reading supports for grade K-5. Services may include the employment of staff, where such funding may be used to cover 100% of personnel costs on a 10-12-month basis and/or contracted services.

All districts shall be authorized to assess a local match to provide for the local costs associated with this appropriation.

**Accountability:**

For FY23, local school boards shall allocate not less than 98% of the total allocation it receives generated by a specific school to that school. A local school board that wishes to allocate the funds in a different manner may do so in accordance with 14 Del. C. §1704(4).

**Delaware Department of Education  
Opportunity Funding Form  
2022-2023 School Year**

Districts and charter schools shall submit an annual report to the Department of Education on the use of the funds no later than January 1<sup>st</sup> of each year detailing how each school expended the funds earned and total expenditures by school, and make those reports publicly available on their website.

**Metrics:** Academic growth, progress toward English language proficiency (ELP) and mathematics proficiency, and reduction in chronic absenteeism.

In addition to the accountability measure data, the Delaware Department of Education (DDOE) will provide support by offering:

- Toolkits on evidence-based best practices for improving outcomes for EL and low-income students.
- Guidance for selecting high quality instructional materials.
- Technical support enabling LEAs to take a comprehensive look at their funding streams in order to maximize and coordinate them.
- Professional learning provided by content experts.
- Sharing best practices in a variety of ways including regular meetings with curriculum directors, chiefs/principals, social media and presentations.
